

Network Abuse Policy

Client may not engage in or use any Trivalent-owned, Trivalent-operated, or Trivalent-managed network or other resource to engage in any conduct or activity which is prohibited by state or federal law. Such activities include, but are not limited to, allowing or participating directly in the publication, use, or dissemination of any of the following:

- Spamming;
- Intellectual Property Violations;
- Obscene Speech or Materials;
- Defamatory or Abusive Language;
- Trademark or Patent Infringement;
- Illegal or Unauthorized Access to Other Computers or Networks;
- Distribution of Internet Viruses;
- Worms;
- Trojan Horses;
- Ponzi or Pyramid Schemes;
- Software Pirating; or
- other Destructive or Illegal Activities
